

# Relationships

VALUE

# Possibility...

Possibility is what motivates us.  
*“for the sake of which”*

Possibility = Identity + Purpose

Our **value** of someone is determined by  
what we see their **possibility** as.

# Significance...

Society says:

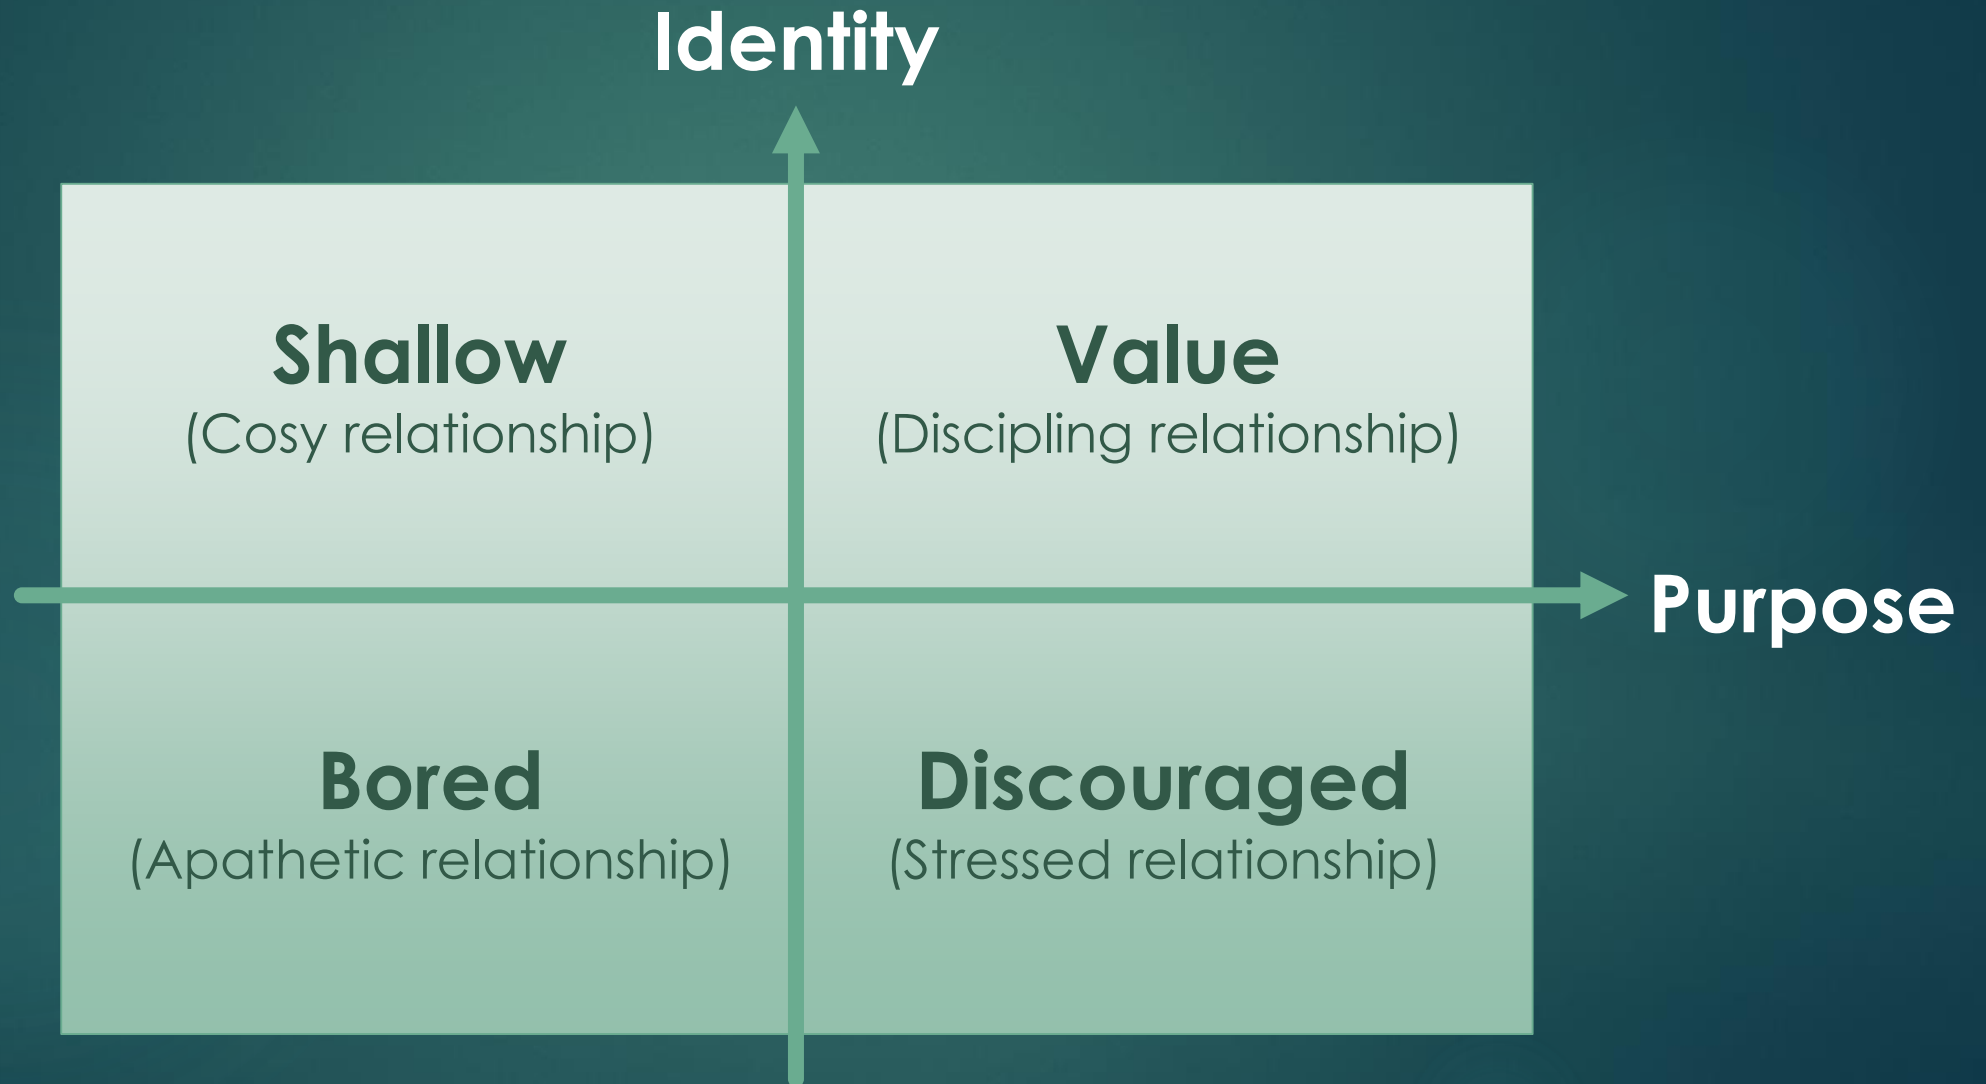

1. Knowledge
2. Practice
3. Become

Jesus says:

1. Become
2. Practice
3. Knowledge

**Jesus starts every relationship with value first.**

# Relational significance...
